**July 2017 and August 2017**

Dog days of summer are on us and all I can say is thank goodness for the evening rains to cool us down a little.

I hope this article finds all of you getting much needed rains, and that your pastures are holding out for your mamas. I also hope all of you have at least gotten one cutting of hay and are getting your second as I write. Don't forget if you're not doing this already – make sure you check your water sources each and every day, and also make sure you have great minerals out for your herds, hopefully with a fly kill additive.

July and August are months set aside for our Juniors! I want to remind everyone that our Junior Beef Round Up takes place at Garrison Arena on August 4<sup>th</sup> – the 6<sup>th</sup>, with the Breed Show being on August 6<sup>th</sup>. Please come out and support our Juniors, for they are our future Angus Producers!

Today I leave you with sights of our Juniors from last year's event, plus pictures from this year of the Juniors getting their cattle ready to show. ENJOY!!
