April 2017 and May 2017

My gosh how times flies when you're having fun, and sales are coming to an end, and warmer weather and spring rains are coming, and green grass is just thriving in the fields, and no more feeding hay, fingers crossed!!! Black babies all over the place and it's just a wonderful time to be in the Angus business, and to live in the Carolinas!

Our 46th SCAA Banquet and Futurity Sale were two awesome events! So many folks came out to celebrate the occasion, spend time with great producers and friends, eat some wonderful ribeye's, and buy some extraordinary cattle.

2017 Officers and Board of Directors

We not only had the times of our lives, but we honored Dr. Larry Olson, by dedicating the 46th Annual Carolina Angus Futurity to him, in recognition of his accomplishments, service, leadership and contributions to the Angus breed, SCAA and beef industry locally, state wide, and nationally.

We also honored Mr. Bob Rice, Rice Farms, with our Hall of Fame Award! Mr. Bob, we love you!

Below you will see Ken Brubaker's comments on the sale and pictures from the entire two-day extravaganza! ENJOY!
