Happy Spring and Happy Easter!!

Sales, sales, sales and SNOW!!! I know right! Remember last newsletter, I talked about Springtime in the South, and that you never know what you'll get. Well, just so happens, for several weeks now we have been in the 60's and 70's. Several days we almost reached 80, and then just over the weekend.....SNOW! Crazy, right?

Times running out for so many sales, but for weeks and weeks now, I have been on the road at so many wonderful sales. The offerings of females and bulls have been second to none, not only that, but the fellowship, with so many wonderful cattle producers, has been even better!

First up on my sales for the month, I found myself at Black Crest Farms, in Sumter S.C. and the home of Mr. Billy McLeod. It was a beautiful day reaching almost 80 degrees, the field was full of trucks and trailers, and the bulls and females were just exceptional! It was a great day and a great sale!

Next up, I would find myself up on the Ridge once again for the Yon's sale. As always, they had an amazing sale, offering up beautiful females and an exceptional listing of bulls!

And lastly, I would find myself in Saluda, S.C. for the Saluda Heifer Replacement Sale, and might I say Travis, you had an amazing set of females to offer up! The sale barn was packed and the girls looked awesome!
